

MACE RESIDENCE  
RAZED BY FIRE  
WEDNESDAY EVE

LOCAL HOME ALSO DAMAGED  
DUE TO AFTERNOON BLAZE

Fire completely destroyed the one-story bungalow of Mr. and Mrs. Johnny Mace on U. S. 40 Wednesday evening.

The house, a one-story structure, is the third residence west of Manhattan on the north side of the National Road.

A four-year-old son noticed smoke about 7 p. m. and told his father. Mr. Mace opened the basement door and found it to be a mass of flames.

Mr. and Mrs. Mace and their children escaped from the house with only the clothes they were wearing.

A Wednesday afternoon fire in Greencastle resulted in an estimated \$1,125 damage at the Clyde Underwood residence. The blaze started in the floor directly above the furnace.

The house, a one-story frame dwelling, is located just north-east of the Barnaby Mill. The structure was damaged at least \$100, city firemen reported. Loss to the contents was placed at \$1,000 and smoke damage was estimated at \$25.

The building is owned by Walter Burk.

Firemen said they made a run to the Underwood home on November 17 when a similar blaze broke out.

Hoosiers Parade  
Show Winners

CHICAGO, Dec. 1.—(UP)—Hoosiers continued their parade to the winner's circle late Wednesday as Indiana entries collected seven more blue ribbons and the reserve grand champion in the swine division at the International Livestock Exposition.

The reserve grand championship went to a 240-pound Poland China barrow, "Fox View Royal," shown by John L. Fox of Shelbyville. The grand championship went to a Hampshire owned by McGuire Hampshire Farm, Wisner, Neb.

Fox also showed the champion pen of barrows in the Poland China division and took second in the five-barrow competition. Purdue University was third in the five-barrowing judging.

Another plural winner was Russell Schenck, Waynetown, who showed the champion pen of barrows in the Tamworth division and the champion five-barrow entry.

The championship is the spotted Poland China barrow class and in the five-barrow division went to Cottonwood Farms, Indianapolis. Purdue also showed the champion Duroc barrow, middleweight, and the reserve, lightweight, and the champion Chester White barrow, lightweight.

ART EXHIBIT

A one man show of the paintings and prints of Ray H. French, Associate Professor of Art at DePauw, will open Sunday at the New Age Gallery, 14 West Walnut. Mr. French's exhibit, which has been featured recently at the Swope Gallery in Terre Haute and the Lafayette Art Association, will include oils, watercolors, engravings and etchings.

An open house from 2 to 5 Sunday afternoon will formally introduce the French exhibition to the public. The gallery will also be open during the week. The show will be on view until January 1st.

FIRST HOOSIER FATALITY

RICHMOND, Ind., Dec. 1.—(UP)—A 44-year-old Centerville man became Indiana's first Safe-Driving Day casualty when he was killed in a car-truck accident on U. S. 40 near Richmond at 1:27 a. m. CST.

State police said Robert Johnston was driving without lights and hit the rear of a semi-truck driven by Charles Senig, 25, Terrehill, Pa.

The death was one of the first reported in an early morning national survey by United Press.

Dr. Blomgren Is  
Rotary Speaker

Dr. Paul Blomgren, formerly of the DePauw Economics Dept., and now associated with Indiana University as a professor of transportation, addressed the Greencastle Rotary Club in the Student Union on Wednesday on the growing importance of transportation in the business life of the nation.

Preceding the talk by Dr. Blomgren, Dr. W. R. McIntyre, president, read an excerpt from an issue of "Ripples From The Rapids," the organ of the Cedar Rapids, Iowa Rotary Club. The paper gave an account of the past and present activities of Dr. W. E. Edgington, former Greencastle Rotarian. An invitation from the Indianapolis club to a luncheon in that city was read.

"What Are We Doing In Transportation," was the subject of the interesting and informative talk by Dr. Blomgren. The speaker pointed out that well-trained traffic managers are in great demand by industry as the cost of transportation has become a major problem and directly effect the cost of a finished product. Industry is turning more and more to colleges and universities for persons trained in traffic problems, said the speaker, who went on to say that Indiana University is producing more Ph.D.s in transportation and training more persons in this increasingly important subject than any other university.

Favor U. S. Aid  
For New Schools

WASHINGTON, Dec. 1.—(UP)—The White House conference on education moved today toward a strong stand in favor of federal aid for building much-needed new public schools.

But though the views of the 1,800 delegates, acting as presidential advisers on school problems, added up to an overwhelming majority for federal aid, they placed several conditions on their support. The chief one was that there should be no federal control over school programs and policies.

The conference's formal report on the crucial federal aid question will not be made until the concluding session tonight of the four-day meeting called by President Eisenhower. But its stand was pre-determined at a series of round table discussions Wednesday night and early today to sum up the delegates' views.

The conference's decision is expected to affect the administration's proposal to Congress next year on the federal aid question. The administration has been considering revising the aid program it submitted last spring. That program placed emphasis on government loans for school construction with a lesser amount in outright grants.

DIES AT GOSPORT

Word has been received here of the death of Byrl Green, 78, Gosport. Mr. Green was the brother of Jesse Green and the late Emmett Green of this city. Mr. Green passed away at the home of his daughter, Mrs. Lula Cole in Lafayette. Funeral services will be held Friday at Gosport, at 1:00 p. m.

WORKMAN KILLED

CANNELTON, Ind. Dec. 1.—(UP)—Albert Wolf, 23, Cannelton, was killed late Wednesday when he was struck on the head by a 400-pound chunk of clay while working at the Cannelton Sewer Pipe Co. Mine.

SAFE DRIVING  
DAY OBSERVED  
ON THURSDAY

CITY, COUNTY JOIN IN OBSERVANCE WITH REST OF NATION

National Safe Driving Day, as recommended by President Eisenhower, was observed in Greencastle and Putnam county as well as the rest of the country today.

The main purpose of S-D Day was to make a concentrated effort to reduce the tragic toll of traffic deaths in the United States. Traffic accidents so far this year have claimed the lives of nearly 31,000 Americans in addition to thousands of injured.

As of 9 a. m. Thursday, no fatal accidents had occurred in this county according to the state police post at Putnamville and the office of Sheriff Joe Rollings.

President Eisenhower led the appeals for sanity and caution on S-D Day. He pleaded with all Americans "to help demonstrate that we can reduce accidents on our streets and highways."

"Last year, an American man, woman or child was killed in traffic every 15 minutes," Mr. Eisenhower pointed out. "Someone was injured every 25 seconds. And, this year, the record is worse; more people are dying; more are injured and crippled."

On the first S-D Day last year, on Dec. 15, the safety council counted 51 traffic deaths. This was a reduction of only nine from the Dec. 15, 1953, total of 60.

The key figure today, however, was the total of 81 persons who were killed in auto accidents on Thursday, Dec. 2, last year. It was this toll which, safety experts hoped, would be cut dramatically before midnight tonight.

Americans approached this year's S-D Day with a steadily worsening traffic record already on the books. There have been 30,980 traffic deaths in the nation during the first 10 months of 1955, toll of 3,920 deaths was the worst for any October since 1937 and the highest death rate for any month since December, 1915.

The highway massacre continued in November, with 154 persons dying in car crashes during the 30-hour Thanksgiving holiday last week.

It was the second annual observance of Safe Driving Day—24 hours set aside by the President's committee for traffic safety in hopes of posting a perfect record on the highways.

The ultimate hope was that not a single traffic death would be reported today. Safety experts conceded that was too much to hope for. But they did look for a sharp drop in the bloody carnage which has become a daily fixture on the nation's highways.

Bitter Political  
Fight In France

PARIS, Dec. 1.—(UP)—Former Premier Pierre Mendes-France today opened France's angriest political campaign in a century with a bitter condemnation of Premier Edgar Faure for leading the nation toward "catastrophe."

Mendes-France, once a close friend of Faure's, said he pitied the premier for his historic decision to dissolve Parliament since history must blame him for "the disastrous consequences for the governmental system and for the civil peace."

Mendes called a meeting of the executive committee of the Radical Socialist Party and it was reported he may read Faure out of the party.

The crisis broke Tuesday when the National Assembly heavily defeated Faure on a vote of confidence. Instead of resigning, Faure invoked an obscure clause of the constitution and announced he would "fire" Parliament.

ROACHDALE COLLECTS GIFTS FOR THE MENTALLY ILL

Mrs. Ashley Barnes, right, president of the Putnam County Chapter for the Mentally ill, and Mrs. Sam Baird, also of Roachdale and chairman of the gift committee of Delta Theta Tau as they looked over gifts collected for the ill in state hospitals, to be distributed Christmas. They were displayed in the Garrett store. Numerous Roachdale organizations and individuals gave the gift items, including the Phi Iota Club, the Home Demonstration Club, the Social Club, the Flower Club, VFW, New Maysville Community Club and Delta Theta Tau.

Mrs. Sam Baird, social service chairman for Delta Theta Tau, received the gifts given through Delta Theta Tau in memory of Mrs. Myrtle Summers, now deceased. Gifts given in memory of M. S. Summers will go to the Central Hospital in Indianapolis.

Police School  
To Be Expanded

INDIANAPOLIS, Dec. 1.—(UP)—Governor Craig today ordered expansion of the Indiana University police school in order to provide training for all of the state's 1,200 law enforcement officers.

The governor said the new program would be put into effect within the next 60 days under the direction of the Institute of Public Administration and Law Enforcement at I. U. The intensified program is expected to cost about \$500,000.

Craig said he hoped to expand the training plan even further within the next six months to provide courses for local police and sheriff's departments on a voluntary basis. State Police personnel presently are trained at the school.

State personnel for whom the training will be required include 400 guards from the Department of Correction, 100 hospital attendants from the Division of Mental Health, 91 excise policemen, 107 conservation officers and 500 State Police troopers.

Craig said the purpose of the plan is to provide more competent and qualified Indiana law enforcement officials and custodial personnel.

Berlin Claimed By  
East German Reds

BERLIN, Dec. 1.—(UP)—The East German Communists claimed today Berlin is theirs and said the United States, Britain and France must obey East German laws.

The official Communist Party newspaper Neues Deutschland rejected the American stand that Berlin is still ruled by four-power occupation forces.

It charged that the Western powers themselves broke the four-power agreement on the city, isolated 110 miles behind the Iron Curtain.

In the deepening crisis over the status of the city, U. S. Ambassador James B. Conant left Bonn by train for Duesseldorf to meet today with West German Mayor Otto Suhr, who demanded Western diplomatic pressure on Moscow to keep the Western sectors of Berlin out of Red hands.

HOSPITAL NOTES

Principals To  
Meet At Purdue

The Philosophical Foundations of School Discipline will be the central theme of the Conference for High School Principals which will be held at Purdue University Monday and Tuesday, Dec. 5 and 6. Approximately 150 to 200 Indiana school administrators are expected to attend this annual two-day meeting sponsored jointly by the Division of Education and Division of Adult Education of the University.

Dr. Russell Compton, head of the department of philosophy of DePauw University and widely recognized authority in this field, will be the featured speaker. He will give the keynote address at the opening session, starting at 10 a. m. Monday, on the topic, "Our Intellectual Climate," and will speak again at the afternoon general session on the subject, "Contemporary Views of Man." In these talks, he will examine some of the basic principles of philosophy in their relation to discipline.

Four unit discussion groups will meet at 2 p. m. Monday and again at 10 a. m. Tuesday to deal with various problems in the various phases of discipline at the high school level. Leaders of these units will be Alexander M. Moore, Crispus Attucks High School, Indianapolis; Joe L. Shuman, Wabash; Lee R. Gilbert, Froebel High School, Gary; John M. Hoggland, Connersville, and John C. Curry, Franklin. Records for the units will be Prof. Lee Isaacson, John Coster, Rex Retkewey and

JULIUS BROUGHT TOTAL OF NEARLY \$15,000 TODAY

CHICAGO, Dec. 1.—"Julius" the grand champion steer at the International Livestock Exposition, was sold at auction this morning. He brought \$15 per pound, plus the weight of Nancy Turner's little sister. He weighed 980 lbs this morning and was purchased by Howard Johnson of restaurant fame. The calf sold for the same price Johnson paid for last year's champ.

HOG MARKET

Hog receipts totalled 12,000 today, with prices ranging down from 25 to 50 cents. 180 to 240 lb. barrows and gilts sold from \$11 to \$11.75.

EXTRA!

December and Safe-Driving Day arrived with partly cloudy skies and a warming trend, but the weatherman warned that occasional snow and rain would spread throughout Indiana later today and tonight increasing highway hazards.

Temperatures today were slated to range from 30 north to 34 south. Lows tonight will range from 24 to 30.

Most of the state will have rain or snow Friday, with temperatures ranging from 33 to 38.

The weather bureau said November temperatures in Indiana averaged four degrees below normal.

SPRINGFIELD, Ill., Dec. 1.—

(UP)—A handsome, curly-haired cab driver confessed today that he raped and killed 8-year-old Janice May in a Canton, Ill., railroad yard last Saturday.

The cabbie, 29-year-old Lloyd E. Miller, Jr., broke down after eight hours of intensive questioning shortly after midnight.

He signed a statement confessing he tore the clothes from the little girl's body, molested her, and then killed her.

CLINTON, Ind., Dec. 1.—(UP)

—A 57-year-old Clinton man was killed and two prominent Clinton women seriously injured in a car-truck collision on Ind. 63 near here Wednesday.

Killed was John Iskovensky, superintendent of the Standard Gravel Company of Clinton.

In serious condition at Vermillion County Hospital were Mrs. Ruth Owens Reed, attorney, and Miss Beatrice Biggs, newspaperwoman. State police said Iskovensky failed to yield the right-of-way when entering the highway from a side road.

UN Debate Waged  
On New Members

UNITED NATIONS, N. Y., Dec. 1.—(UP)—The United Nations opens a full debate on a package plan for new members today despite Nationalist China's determination to veto Outer Mongolia's application in a move that could wreck the whole deal.

Canada was scheduled to introduce, on behalf of 26 other sponsors, a resolution in the General Assembly's Special Political Committee calling for the admission of 18 countries—five Communist and 13 sponsored by the West.

Under U. N. procedure, the General Assembly can elect new members—by a two-thirds vote—only after their admission has been recommended by the Security Council, of which Nationalist China is a member.

ATTEND FUNERAL

Dr. and Mrs. Russell W. Vermillion were in Chicago today for the funeral of Mrs. Ida Burns, widow of Lawrence Burns, and a sister of Mrs. Vermillion's mother, Mrs. Cora M. Hulise, of Greencastle. Burial was in a Chicago cemetery. Mrs. Burns had resided in Chicago for a number of years.

Mrs. Burns passed away on Tuesday morning at the home of her sister, Mrs. Stella Bodisbaugh, in Bloomington. Although Mrs. Burns was 85 years of age, her death was unexpected, death being due to a heart attack. Mrs. Burns had visited her sister, Mrs. Hulise, in Greencastle on numerous occasions.

Mrs. Wayne Johnson of Chicago, the wife of the president of the Illinois Central Railroad, is a daughter of Mrs. Burns. Four other daughters survive.

TOP ADVISERS  
CONFER WITH  
MR. EISENHOWER

MILITARY AND ATOMIC EXPERTS MEET WITH PRESIDENT

GETTYSBURG, Pa., Dec. 1.—(UP)—President Eisenhower, with a fresh go-ahead from his doctors, plunged into a busy schedule today climaxed by a two-hour conference with his top advisers on military, atomic and foreign policy.

Although the White House emphasized that no emergency was involved, it appeared from the star-studded roster of those called to the conference that critical decisions might be in the making.

After a 45-minute examination Wednesday the President's physicians told him his recovery from a heart attack last Sept. 24 is continuing satisfactorily. They added that his activities still must be restricted.

However, today's schedule pointed up that the doctors' restrictions are being relaxed steadily.

After a morning's work on budget and other government matters at his downtown Gettysburg office the President planned to drive to Camp David, Md., for a full-dress meeting of the National Security Council this afternoon.

About 25 top officials—including all members of the Joint Chiefs of Staff—were summoned from Washington for the session. It was the second of its kind to be held at the mountain-top presidential retreat since Mr. Eisenhower came here for a work-and-rest recuperative period on Nov. 14.

White House Press Secretary James C. Hagerty pictured the session as simply a regular weekly meeting of the National Security Council. But more than usual significance was attached to the meeting because of the size and scope of its list of participants.

Scottish Rite  
Elects Officers

The Putnam County Scottish Rite Club members and wives held their annual dinner meeting last evening in the ballroom of the Union Building.

Officers and directors were elected for next year as follows: Carl Arnold, president; Walter Ballard, vice president; Roy Sutherland, secretary-treasurer.

Walker Ramsay, Edward Coffman, E. L. Smiley and Charlie Hendrich were elected as new directors.

After a short business session Joe Todd, chairman of the entertainment committee, introduced Ned Lamkin, director of the "Collegians" who presented them in a very delightful program.

KILLED BY TRAIN

PERU, Ind., Dec. 1.—(UP)—Mrs. Emma Samons, 71, Converse, was struck and killed late Wednesday when she apparently failed to hear or see an oncoming Pennsylvania Railroad freight train and stepped into the path of the engine at a downtown crossing here.

CUB PACK 99 MEETS

Cub Scout Pack 99 held its November pack meeting Wednesday evening at the Christian church.

Following the November theme, "America the Beautiful," display tables were filled with hand craft, souvenirs and posters portraying the Cub Scouts view of how America looks to them.

Each den presented a skit or song describing Thanksgiving, America, or cubbing. We can all be thankful that our boys live in a country such as our beautiful America where they may participate in activities which the

Cub Scouts provide.

Den 6 conducted the flag ceremony with Den Chief Steve Swickard leading the pledge to the flag and Kenneth Scarborough and Richard Wilde as color bearers. Richard belongs to the Cyprus Cub Scout on the island of Cyprus in the Mediterranean Sea. He and his parents are here on a brief visit with friends and relatives.

Pack 99 has approximately 34 new Cub Scouts ready to receive Bob Cat awards. All awards which were to be presented at the pack meeting were delayed and will be presented at a later date.

The December theme will be "Christmas In Other Lands."

Will Present Religious Play

A new religious drama by the noted American playwright, Arthur Miller, will open this evening in Gobin Methodist Church as a part of DePauw's Religious Evaluation Week.

Miller's play, "The Crucible," is being presented at 8:30 by the Wesley Players, a dramatic group operating under the auspice of the Methodist Student Movement at DePauw.

Featured in the all-student production, which is directed by Robert Currie, are Mary Jean Appleman, Eddie Dix, Richard

Green, Paul Batty, and Ellarie Shaw.

Also on the Religious Evaluation Week schedule tonight is a series of inter-living unit discussions at 7 p. m.

The week-long event will end tomorrow with a 10 a. m. chapel address by Dr. Kermit Eby on the subject, "Signs of Maturity," and the final performance of "The Crucible" at 8:30 p. m.

Currently, a professor in the social sciences at the University of Chicago, Dr. Eby made his first chapel appearance yesterday morning when he spoke "In Defense of Sectarianism."

Noting that tension is produced when people question, he defined a sectarian as "one who is in tension with the prevailing values."

"I am looking for that hybrid; the individual who combines sectarian conviction with political and organizational sophistication," he added. "The sophisticated sectarian accounts for pro-

gress."

Examining his own Brethren heritage from a sectarian viewpoint, Dr. Eby translated four Brethren concepts into recommendations for his listeners.

Basic beliefs advanced by the speaker were the contemporaneousness of Jesus, universality of man, integrity of the witness, and the doctrine of stewardship. In order to maintain moral initiative, Dr. Eby explained, we attempt to imagine how Jesus would act in particular situations and to determine our actions accordingly.

Granting that an affirmation of the universality of man can be unpopular in our society, he insisted that "the only survival possible for self is total survival of mankind."

The so-called "return to religion" in America, he commented, actually is nothing more than Americanism. "It is a return to our God, rather than to the universal God."

Referring to integrity, Dr. Eby claimed that "all you have to bet on in this work is the integrity of man" and that it is the integrity of life which gives meaning.

Finally, he said, we must remember that we own nothing on this earth but are only God's stewards. "Everything must be administered in terms of common interest."

—PRINCIPALS

George P. Salem, all of the Purdue education staff.

The two-day conference will end with a luncheon meeting Tuesday noon at which Dr. Compton will give an evaluation of the findings of the various unit groups.

Opening Trump Lead

Typically enough, Miss Brash  
opened the bidding in today's  
deal with an ace and two queens.  
She hoped to find a fit with her  
partner in one of her long suits.  
If the opponents held the pre-  
ponderance of high card strength  
as seemed likely, a profitable  
sacrifice spot might be located.  
She felt that she had to start bid-  
ding early in order to have the  
best chance of showing both  
hearts and clubs.

The bidding:  
North East South West  
Pass Pass 1♥ Dbl.  
Pass 1♠ 2♣ 3♠  
4♠ 4♥ 5♣ All Pass

This reasoning paid off very

well—with Mr. Abel's help.  
Against the final contract of  
five clubs, doubled, he led the  
king of spades.

Miss Brash won with dummy's  
ace and promptly led the nine of  
hearts. This was ducked around  
to Mr. Abel who won with the  
jack and returned the jack of  
clubs.

## TOO LATE

But it was too late now to at-  
tack the trump suit. The club  
lead was won in the lost hand  
and a heart was ruffed on the  
board. Miss Brash returned to  
her hand twice by ruffing spades  
and each time led another heart  
and ruffed it on the board.

After this sequence she still  
had two trumps left. She led  
dummy's last spade and ruffed it  
with the queen of clubs. She  
cashed the ace of clubs, picking

up the last two outstanding on a good side suit in dummy.  
trumps, then spread the hand,  
conceding a diamond.

Mr. Abel could have defeated  
this contract by opening a  
trump. Miss Brash would have  
had to let him in with a heart  
in order to set up a cross-ruff  
and at that time he could have  
led a second trump. Then Miss  
Brash would have been able to  
ruff hearts in dummy only twice.

## SURE GUIDE

The bidding and his own hold-  
ing should have guided Mr. Abel  
to the right opening lead. Mr.  
Dale had refused to raise Miss  
Brash's first bid suit but had  
strongly supported her second  
one.

Mr. Abel had all three side  
suits bottled up so that there  
was no danger of Miss Brash  
quickly getting rid of any losers

With these points in mind it  
should have been clear that her  
principal source of tricks was go-  
ing to be the club suit itself and  
therefore every club removed  
from dummy would probably  
mean a trick gained for the de-  
fending side.

## Fillmore Wins Sixth Straight

Clayton gave Fillmore an  
awful scare Wednesday night but  
the Cardinals emerged with a 51  
to 50 victory but only after a ter-  
rific high school basketball  
tussle. This one-point decision  
was the sixth straight win of the  
season for the East Putnam

squad.  
Clayton made good on two foul  
shots to take the lead at 50-49  
with about seven seconds to go.  
The Cards got possession of the  
ball and Bobby Ross connected  
with a layup as the final gun-  
sounded to give Fillmore its 51-  
50 decision.

The first quarter was close  
with the Cards holding the edge  
at 16-14. The visiting Hendricks  
county netters rallied in the sec-  
ond period to go out in front, 32  
to 26, at the half.

Fillmore braced to take the  
lead, 39 to 38, as the third frame  
ended. Both teams collected 12  
points during the fourth quarter  
and that was the game, 51 to 50  
in favor of the Cardinals.

Tharp, Ross and Greenlee were

reserves, 31 to 15.

## HIGH QUALITY TURKEYS CAN BE RAISED INDOORS

High quality turkeys can be raised indoors from start to finish, according to authorities at the Purdue University poultry farm near Lafayette.

Three pole-type buildings, constructed at the Purdue farm have been used to house 2,100 turkey poults during the last year.

Each of the buildings is 30 feet wide by 60 feet long. They open, each 10 feet wide by 12

feet long, are arranged along each side of a 6-foot central alleyway. Hinged panels along the sides of the building can be opened to provide ventilation, or can be closed during cold weather to protect the young poults.

## Earlham Plays Tigers Saturday

Opening game of the season for DePauw's cagers here Saturday night will find Earlham providing the opposition in a non-conference tilt at 7:30 p. m. CST.

Beginning his second campaign at the Tiger helm, Coach Cal Luther may use four starters from last year's club, including the all-conference forward, Bob Schrier.

Other returning starters are senior John Dehner, junior Sam Ulmer, and sophomore John Bunnell, backed up by a fifth letterman, senior center Dave McCracken.

In a recent shift Dehner has been moved from forward to

guard opposite Bunnell, and sophomore Tom Johnson will team with Schrier at forward. Either 6'5 Ulmer or 6'3 McCracken will go at center.

Coach Merle Rousey's veteran Earlham club opened its season last week by winning two of three contests in the City of Richmond tournament.

The Quakers dropped a 78-76 decision to Southeastern Oklahoma, one of the NAIA finalists last year, before turning in successive wins over Centre, 75-60, and Manchester, 79-75, in an overtime.

Probable starters include forwards Milo Beam and Tom Marvel, center Bill Adams, and guards Jim Coulter and Eric Clark. Beam, a freshman from Richmond, is the only non-letterman.

Although Saturday's game will be the first between DePauw and Earlham since 1950, the two schools have been hardwood rivals since 1905. In 68 previous games the Bengals hold a 51-17 edge.

Earlham won both parts of a home-and-home series in 1945-46 but dropped seven straight games to DePauw during the next four seasons.

A preliminary game pitting DePauw's reserve squad against a team from the USAF base at Rockville is scheduled to begin at 6 p. m.

## BENSON'S ANSWER

CHICAGO, Dec. 1.—(UP)—Agriculture Secretary Ezra T. Benson accused Democratic "presidential hopefuls" today of stirring up a "witch's brew" in an attempt to harvest votes from the farm problem.

Benson delivered a biting attack on Democratic critics of his farm program, singling out Adlai E. Stevenson and New York Gov. Averell Harriman for special censure.

ITALIAN TEACHERS OUT ROME, Dec. 1.—(UP)—Italy's 91,600 secondary school teachers walked out today in a three-day, nationwide strike in protest against "indecently poor" living conditions and salaries as low as \$70.40 a month.

FAILS TO SHOW HONG KONG, Dec. 1.—(UP)—Former Pvt. Richard R. Tenneson of Alden, Minn., an American turncoat who elected to remain with the Communist Chinese after the Korean armistice, failed to appear at the Hong Kong border today.

The Chinese Communists announced his release and U. S. Consul S. M. Backe went to the border today to meet the train from Red China.

INTEREST REPORTED INDIANAPOLIS, Dec. 1.—(UP)—"Tremendous" financial interest in Indiana's proposed north-south toll road was reported today by the State Toll Road Commission.

Albert J. Wedeking, the commission's executive director, said an engineering firm working on the project already has received applications from 467 bond underwriting firms who want to invest money in the Lake County-to-Indianapolis turnpike.

This is an "awfully good sign," he said, because there were 491 firms interested in the upstate east-west toll road at the last-minute when the bonds went on sale.

## Stilesville, 82; Belle Union, 43

Stilesville defeated Belle Union, 82 to 43, Wednesday evening in a net contest staged on the Reelsville gym floor.

Belle Union's B team kept it from being an all-Stilesville night, however, by beating the Hendricks county reserve squad, 24 to 18, in the preliminary tilt.
